## SULSA News – 21 October 2011

---

### SULSA Tweets – Follow @SULSATweets

- Managing Regulatory Compliance in Life Sciences event - 16 November 2011 <http://bit.ly/nMf0XS>
- Have you registered for the @nexusscotland awards yet? East Scotland 3rd Nov <http://bit.ly/rt9vPJ> West Scotland 16th Nov <http://bit.ly/r13Pkv>
- Diary of a Biotechnology YES Team, part 2 <http://bit.ly/ophKrb>
- BioBusiness Made Simple - A 2-day course giving introductory insight into the commercialisation of life sciences <http://bit.ly/nXjYPk>
- Residential courses for qPCR at TATAA biocentre in Sweden and Czech Republic <http://bit.ly/pxLobz>
- Second meeting of the Scottish Phylogeny Discussion Group "Signal exploration and the affinities of the ecdysozoans" <http://bit.ly/IFR1lq>
- SULSA Call for Applications - Funding for High Throughput Screening (HTS) projects. Deadline Friday 25th November <http://bit.ly/nJfLQQ>
- Prof Bulleid publishes on: "Multiple ways to make disulphides" <http://bit.ly/plwzTQ>
- Prof Harkany publishes on: "Molecular model of cannabis sensitivity in developing neuronal circuits" <http://bit.ly/oQwXG8>
- Marcel Jaspers and Rainer Ebel at CRITT Santé Bretagne - Technology Meeting on 10th Nov in Brittany. <http://bit.ly/mZqvIZ>
- CRITT Santé Bretagne Meeting - 10th Nov - "Exploration and valorization of marine biological resources" <http://bit.ly/mZqvIZ>
- Irish Society of Toxicology meeting on 3rd and 4th November <http://bit.ly/pdC3CI>
- SUPA Prize PhD Studentship competition is open for biologists who want to study for a Physics and Life Sciences PhD. <http://bit.ly/qrRVY4>

### SULSA News

Call for Applications - Funding for High Throughput Screening (HTS) projects <http://bit.ly/nJfLQQ>

### Non-SULSA Events - [www.sulsa.ac.uk/nonsulsaevents](http://www.sulsa.ac.uk/nonsulsaevents)

- Scottish Phylogeny Discussion Group - 26 October 2011 - University of Edinburgh
- Annual Nexus Life Science Awards (East) - 3 November 2011 - University of Edinburgh
- Irish Society of Toxicology Meeting - "Towards 21st Century Toxicology" 3 & 4 November 2011 - Athlone Institute of Technology, Athlone, Ireland
- CRITT Santé Bretagne - Technology Meeting - "Exploration and valorization of marine biological resources, contribution of biological resource centres". 10 November 2011 - Saint-Malo, France

- Annual Nexus Annual Life Science Awards (West) - 16 November 2011 - Oran Mor - Glasgow
- Managing Regulatory Compliance in Life Sciences - Perils & Pitfalls - 16 November 2011 - Edinburgh
